“ *Ricky, you are my life and my love. From the first moment we met, we both knew God spoke to us and knew this is the person I chose for you. You were and you are my husband. I love you. My heart is broken and I don't know how to put the pieces back together. I miss you so much. At times, its hard to breathe because the pain hurts so much. You took care of me as much as I took care of you, I loved being your wife, I wish you could back to me. I miss your silly antics before we go to bed. I love you, You are my love.*

*Your loving wife,

*Ricky you have been a great friend and co worker over the years. I am glad I got the pleasure to work with you. You are very talented in working with metal and carpentry. I will continue to use everything you taught me. I am currently working on a job me and you started working on together. You will be greatly missed wish you and me were still working side by side.
