“ I will never forget you Rick. I will miss seeing you outside working in your garage and driving down the street in your Jeep. You meant so much to so many. Thank you for being the kind person you were.

“ What a sweet and funny man Ricky was. I am so saddened to hear of his passing. I will miss chatting with him about cars. He loved coming into the Flea Mall and hunting for cool toy cars. I would always run into him at Walmart too. He would always say hello and we would talk about our dogs. Such a happy man. He is already missed very much. My condolences to his lovely family.
