“ Although I never met Robert, I hold a tremendous amount of respect for him.

I enjoyed the time we worked together via telephone and e-mail. He never got angry with me, even during the times, I failed and could not do what he asked, which was never unreasonable. I will certainly miss him.

“ *My sincere condolences. Bubba and I worked together for a few years during my family's brief stay in the Springfield area. He was always a great guy to be around and always had a genuine smile to share. We had a great time teasing Steve Davis with my alter ego Chuck. There was never a shortage of laughter.*

My thoughts and prayers are with Bubba's family and friends. I know he will be greatly missed.

“ I worked with Bubba for 3 years while I was with Electrolux and we had many late nights planning for the next part on trucks....and no matter the situation, Bubba was always kind and never got upset. I recently had exchanged some correspondents with him and he was looking for my help for another person whom we both had worked with and was going to be looking for employment. This was just who and what Robert (Bubba) Gilbert was all about. He was always putting others before himself. I will miss you Bubba - and I am honored to have met you and been part of your life.
