David honorably served his country as a Corpsman attached to the Marines during the Vietnam war. He enjoyed many hobbies, several of which he shared with Linda. He loved their trips to Knoxville for the Lady Vols basketball games and touring different areas of this beautiful country and socializing with friends. His favorite lunch of the week was with his "Retired old men eating out (Romeo) group."

He had great faith in God and lived his life toward reaching his heavenly home. Even though he endured many health issues he never said "why me" it was always "Why not me". “ *David was a remarkable human being. He was kind to everyone he saw, whether he knew them or not. Having known him from first grade on, he had a peaceful, positive disposition that just always made one feel good just to be in his presence. He did many favors for and offered strong encouragement to me on many occasions. Anyone would aspire to adopt his caring traits and be more like him.*

“ I am Keith's sister-in- law. I remember when my husband Jerry and I moved to White House from Atlanta. When we closed on our house and got to the house, David was welcoming us by mowing our big yard with his riding mower. David and Linda always welcomed us to their home for family get-together which meant a lot to us.
