“ To all of Robbie's family and friends, please accept my heartfelt condolences for your loss as it breaks my heart now knowing this. Although our paths never crossed after graduation some 30 years ago, I remember Robbie like it was just yesterday. His infectious smile, poitive attitude, and joyful nature carried so many of us through some much dreaded parts of high school. I truly wish I could have been there to attend his funeral but please know you will all remain in my heart. All my very best now and always. Jeff Draper
