Dr. Robert George Holston Sr., DO, age 79, adored country doctor, devoted husband, father & grandfather, had his final house call on April 25, 2026 at his home in Cross Plains, TN. The family is hosting a Celebration of Life for “Doc”, “Dr. Bob”, “Dad”, “Daddy Bob” from 12pm - 4pm on Saturday, May 9, 2026 in the chapel at the Austin & Bell Funeral Home in Springfield, TN.

Bob’s first sunrise was on January 29, 1947 when he took his first breath with his parents Marion Jimmie & Robbie (Foster) Holston, school teachers, in Borger, Tx. He was raised in Borger with his older brother Marion “Jim” Holston, Jr.. Bob knew at the age of 10 he wanted to be a doctor when he found a euthanized puppy behind a local veterinary clinic and brought it back to life. Growing up Bob enjoyed being a member of the Boy Scouts of America, football, & student government. He graduated from Borger High School with the Class of ‘65. He attended West Texas State University where he met the love of his life, Francis Sharon Mitchell. Bob & Sharon were married in Roby, Tx, August 9, 1968. He was a member of the Sigma Nu Fraternity at WTSU & graduated in 1969. He began his life’s mission of caring for God’s people when he was a member of the first graduating class of the Texas College of Osteopathic Medicine in Ft. Worth, Tx in May of 1974.

Bob & Sharon raised their four gifts of love, Michelle, Robbie, Jeremy & Jennifer as they cared for those in need in small, rural communities across

Texas & Tennessee. Dr. Bob thrived on making house calls, delivering babies in his office and being a Team Physician for the Kennedale Wildcats(TX), Celina Bulldogs(TN) and East Robertson Indians(TN) football teams. After 51 years of practicing, 33 being in Cross Plains, The Holston Family Clinic saw their final patient in December, 2025.

Bob was surrounded by his children when he left their loving arms to join his sweetheart's embrace, his parents, grandparents, & brothers at those pearly golden gates.

Dr. Bob will be remembered as one of the greatest men to ever live! He had a way of making everyone feel important, special, loved and cared for! His children left to honor his golden heart & life are Michelle Holston Tiernan and husband Tim Tiernan, Robert G. Holston Jr. and wife Barri (Robison) Holston, Jeremy F. Holston and wife Ginda (West) Holston, Jennifer Holston Waid and husband Adam Waid, & his precious fur baby Rusty. He was blessed to leave a legacy of 10 grandloves: Mitchell Short, Chelsea Short (Raymond Hopkins), Kanyon Short, Kalina Short, Barrett Holston, Knox Holston, Tyler Holston (Heidi Terral), Stella Holston, Ryan Luckett and Mac Luckett. “ I was googling for Bob a few minutes ago, and came across this sad news, but am happy after reading all the memories of him. I knew Bob and his family in Borger, in the 60s. His brother Jim and I were friends there. We both attended Frank Phillips College, but after finishing there, life took us to different destinations. I wanted to connect with Bob and reminisce about those days in Borger, but that will have to wait. Bob and his Borger family were wonderful, and I'm sure his Tennessee family will miss him dearly. My heart goes out to them. Dale Harris

“ Dr Bob was a dear friend and my personal physician for many years. I loved him and always looked forward to visiting with him even when I wasn't in need of medical attention. My wife Angela and myself are heartbroken at the loss of this wonderful man. He will be greatly missed. I'm so glad I got to hug him and kiss him on the cheek at his lovely wife's celebration of life. It is a memory I will carry with me forever.
