“ *Im so very sad to here about Robert's passing. He worked with me years ago for many years and always kept a smile on our faces and our ribs hurting from laughing so hard. He was an amazing friend and co-worker. There was never a dull day around Keeno. To know his was to love him. His personality was contagious. He always treated everyone so darn good. The world will be missing an amazing guy for sure. Sending love and prayers to his family. I'm very sorry for your loss.*

“ I can remember when he was born. Boy did he have Colic. I used to keep him for Julia, so she could work and her mom could do her house chores. I Loved that kid, and he definitely prepared me for my son's colic. I would spend hours, rocking him and soothing him. He was a remarkable young man, and always had a smile. When I close my eyes, I see that sweet smile and face when he was young. He would light up a room. He will truly be missed, but will live on in his sweet daughter, Lauren, who looks and smiles just like him. My heart goes out to the family. Love Y'all.
