“ I worked with Mickey for around 30 years with the City of Springfield . No truer friend could be found. His smile and loving heart will always be remembered by me.

“ I've shared twenty three years of my life with Mickey. Good times and hard times, births of our grandchildren and deaths of members of our family. I'm so happy that God gives the peace that passes all understanding. Love you then, love you still. Always have, always will. NO one can take that away.

“ Mickey was a kind and friendly man. Sad to hear of his passing, but glad to have known him and called him a friend.

“ My dad and Mickey have been best friends since I can remember. They always liked to joke with each other. One day when my dad came to pick me up from staying the day with Mickey and family, dad asked if I behaved. Mickey said, “oh she was fine. When she got out of hand we tied her to the tree out back .” 🍷🍷🍷

“ *In his time of weakness he grew stronger. When others might have given up, he fought . When his trials were hard, his faith never waivered. Rest in peace Micky*

“ *I cut Mickey’s hair for many years at Tangles in Springfield. I had the privilege of seeing the softer side of Mickey. Every 3weeks we talked a lot in 30 minutes. We solved the world’s problems, knew every kid needed a little whipping once in a while, He talked often of his son that died so young. His marriage that suffer from their loss and the joys of seeing Jeremy and his family grow. He was so proud of his accomplishments. Our friendship grow more and more otherwise this stubborn man would have never unwind and told me things that normally he would’ve. In return I told him directly things he should be doing with his life. I hope my encouragements to him brought him more joy than I could even imagine. His family, his marriage to Gail and those 3 lovely grandkids was what he lived for. Rest in peace buddy 💙*
