“ Dear Brown Family;
While reading the online obituary, I observed the death of your love one. Death is an enemy to mankind and who can understand it? It can and does have a devastating effect on you and your family as well.
Can you imagine reading a newspaper with the headline; "When Death is Swallowed Up Forever....." What a wonderful time that will be. Revelation 21:4 offers this hope, it states: "And he (God) will wipe out every tear from their eyes and death will be no more, neither will mourning nor outcry nor pain be anymore. " The former things have passed away." What a comforting hope.
If you would be interested in learning even more, I can send you a little tract that is entitled "What Hope for Dead Loved Ones"? If you have any Questions please feel free to contact me at this e-mail address here (b.molina56@yahoo.com).
I offer my sincere condolences, may the God of peace be with you and your family.
Sincerely Yours, Brandy Molina

“ Celebrate a life well-lived and take heart in knowing that Robyn has finally come face-to-face with hers & our Lord; a privilege that we can all look forward to having. She just beat us to it! I can think of nothing sweeter than beholding the face of Jesus and finding eternal rest with Him!
