“ Our hearts go out to the family, and our prayers and love are with all of the amazing green clan, and all descendents. Great Granny, I wish I was there to hold your hand, and give you a big ol' bear hug, but I can't be so hopefully my daughter has brightened up everyones hearts. Life is a beautiful thing and Rodger lived well. I love you all.

“ I spent a lot of time with the Green family as a teenager, as Rodger Jr.'s friend. Mr. and Mrs. Green were very warm and inviting every time I was there. Mr. Green had a relationship with his children that I admired very much. I think he really knew what mattered in life and I think this world is better for the time he was here. May God bless you Rodger.

“ With my deepest sympathy to The Green family. Rodger was a good man. He was so loved and will be deeply missed by family and friends. Memories of him will live on in everyone that crossed paths with him. He is healed from cancer, he is FREE from his pain and suffering. It's not going to be easy for his loved ones to let go, but I pray that the Lord will give them the strength to heal from their loss. We will see him again one day. God Bless. Love, Beverly Moore
