“ I am so sorry for the loss to your entire family. Lesley has told me wonderful stories of her childhood and the special times with her Daddy. I know that she will cherish all of those memories. I hope her Daddy will look down at her and Nicole and keep them safe and strong. My prayers are with you.

“ Rondale was a student of mine at Bell School. Neither he nor I were very old at that time! :-) I have wonderful memories of him and the Bennett twins as students and I was blessed to see the three of them together this past summer in Adams. He fought a gallant battle with dignity and honor. The battle has been won and he has gained his reward now. How thankful we are to know that he was a Christian and is with the saints and Jesus now. My prayers are with you, his family and his close friends.
