

Ruby Mai Larmon

April 29, 1932 - February 4, 2022

Ruby Mai Larmon, age 89, of Pontiac, Michigan, formerly of Springfield, Tennessee, passed away on Friday, February 4th, 2022, after a brief illness. Funeral services will be conducted at 2pm Saturday, February 12, 2022 in the chapel of Austin & Bell Funeral Home in Springfield, TN. Burial will follow in the Springfield Memorial Gardens.

The family will receive friends from 3-8pm Friday, February 11, 2022 and again from 1pm until service time on Saturday at the funeral home.

Ruby was born in Cheatham County, Tennessee on April 29, 1932, to Homer Felts Sr and Nellie Mae Felts and was the 3rd of 6 children. She grew up in Springfield, Tennessee, where she met Walter Larmon Jr and married him on Dec 8th, 1951. Their marriage produced 6 children. In October 1964, the family moved to Pontiac, Michigan where she resided until her death.

Ruby was a devoted mother and Granny whose life revolved around her children and grandchildren. She was also a loving sister, aunt, and cousin and enjoyed staying in touch with them to find out what was going on 'down home' as she always referred to Springfield. She worked at a local corner store and a dry cleaners for many years where she became known to many who loved to spend a little extra time visiting with her when they came in because of her friendly smile, welcoming presence, and gift for gab. Ruby truly never met a

stranger. She was a very strong woman who weathered many storms and always persevered. She will be greatly missed by all who knew her.

Ruby is preceded in death by her parents, her husband, Walter, her brothers, Harold Felts, Ronald Felts, and her sisters, Frances Moon and Margie Sawyers.

She is survived by her children, Sherry Cosby (Otis), Gerry Larmon, Jeffrey Larmon (Linda), Terry Larmon (Katrina), Sheila Haag (Butch), and Anthony Scott Larmon. She is also survived by her brother, Homer Felts Jr., 12 grandchildren, 3 great grandchildren, and many nieces, nephews, and cousins.

Austin & Bell Funeral Home in Springfield is in charge of these arrangements.

“ It seems as though I remember her coming to school when I had one of the Larmon children in kindergarten. At any rate, from what I just read, she seemed like a wonderful, caring granny . I am sorry for your loss. It is never easy. Prayers for all.

My house hold was discombobulated, to say the least! my parents were going through divorce, it was nut lol. I would call her often, she would talk to me for hours, until I felt better. So many memories are rushing through my head. I will cherish each and every one. I love my Larmon family with all my heart! Proud to say I am a Larmon, for 38 years now. She will soar in heaven, living a life she always deserved*

“ I remember my mom saying "I would fight a tiger for my kids." I always believed that. I always will.
She would do it to a fault. Many times she stood strong for me, even when I was wrong. She placed her children above herself her whole life.
Strongest woman I've ever seen.

“ I don't know how to start, losing my mom is the hardest thing I've ever faced, you know it's enevitblle that everyone dies but your mind blocks it out for the people dearest to you,my memories and stories about my mom could fill a book, we grew up a little rough but always knew we were loved, she was there for us if we were doing well or if we were screwing up, didn't matter we were her kids and she had our backs regardless, if everyone had my mom's heart the world be a far better place, I love you mama always and forever ❤️

“ Lots of memories of my mom when I was young of the daily grind she went through in her efforts to raise 6 kids under very trying circumstances. She worked hard and met the task with everything she had. Many would have folded under the type of pressure she was under. Not my mom. She was a great lady with a good sense of humor that I always appreciated and would share many laughs with her about anything and everything. My mom had a natural ability to connect with people because she would be genuinely interested in them and once they heard that sweet southern accent of hers she was proud to talk about where she was from. Even though she lived most of her life in Michigan, she was always a Tennessee girl. Throughout her life she would often make mention of lessons learned from her mama and daddy, Homer and Nellie. You knew she was so proud of them and what they gave to her. Not the least of which was the ability to face lifes hardships with head held high, no whining or complaining, just deal with it. Don't judge people based on their station in life, and don't get too full of yourself. My mom had these traits in her and taught them by example. I will take this from her and carry with me for the rest of my days. My mom lived a good and honest life and will be rewarded for that. I am brokenhearted right now, but I am also so proud to be my moms son. You'll always be with me mom, Love, Jeff.

“ I am utterly heartbroken over the loss of my mother. No matter how long you have with your mom, it's never long enough. She was a rock, the constant in our lives. She would tell me in recent times as she became more frail in body, 'you're too good to me, I dont know what I'd do without you". Well, Mom, I don't know what I'm going to do without you. I'll miss you forever.

“ No words can express the emotions at losing my mom. She was the strongest women I have ever known. I have been told most of my life that I am just like her. Some used to call me Ruby Jr. I take that as a compliment. She taught me to be strong and not take anything off of anyone. I am who I am because of her and I wear it proudly. Mom, I will forever love you and miss you. Love, Sheila.
