“ I worked with Ruby for many years at Bellsouth. She was always kind and fun to be around. My husband and I went out to dinner with her and John while we were all vacationing in Daytona Beach, Florida and we had a great time.
May the wonderful memories you shared with Ruby comfort you during your time of sorrow. I'll keep your family in my prayers.

Ruby was one of my “other mothers” growing up. So many wonderful memories from the beach vacations to the tree-decorating parties. We shared such a love for music and the piano. She will forever hold a special place in my heart. ❤️
