“ I loved aunt Ruby Jean. I will always remember her sweet smile. She was a southern belle. It was so hard not being able to go to see her but my wife and I just could not make it to the service. She and my uncle Bob raised three wonderful children. I pray for peace for my cousins. I love you so!

“ Aunt Ruby Jean will be missed so much. She was full of life and a very special lady. My memories of her could fill a book. My prayers and thoughts go out to all the family. I know this is a difficult time in your life & words can never ease the pain. Just knowing that she is at peace now and going to a better place with no more suffering helps ease the pain some. She will be reunited with Mama, Papa, and my daddy - what a reunion that will be. Love you guys! Just celebrate her life!
