“ *My sincerest condolences to the entire family, Russ was a special person to a lot of us in Sarasota, FL. I grew up knowing Russ and Preston while living in the same neighborhood and he was very consistent with his spiritual beliefs, magnetic personality, sense of humor. We had a lot of fun back in those days and loved fishing together and going to Sonny's for some BBQ. Russ loved pulling for the underdog and always supported the long shot. He also loved playing basketball with us neighborhood kids and enjoyed competition. I know that he influenced a lot of positivity and kindness among a lot of people and he will be missed tremendously. I'm positive he's in a better place, confident that he's talked to Bobby Bowden, and very likely played several rounds of golf at the Heavenly Country Club!! I'm happy that he is no longer in pain and resting easy with his lord and savior, God Bless you my friend!*
