“ *Sam was my brother. He came into this world fighting for his life. He weighed less than 3 pounds and was born at home. He was raised by his grandparents and had a hard life. He worked at a factory in Springfield for 38 years and raised tobacco crops at the same time to support his family. He loved his family so much and sacrificed so much for them. I love you Sam and I will miss you. Rest in peace now as God takes you home to be with Him. Love Martha*
