“ *Dear Richard Family;*
While reading the online obituary, I observed the death of your love one. Death is an enemy to mankind and who can understand it? It can and dose have a devastating effect on you and your family as well.
Can you imagine reading a newspaper with the headline; "When Death is Swallowed Up Forever...." What a wonderful time that will be. Revelation 21:4 offers this hope, it states: "And he (God) will wipe out every tear from their eyes and death will be no more, neither will morning nor outcry nor pain be anymore. " The former things have passed away." What a comforting hope.
If you would be interested in learning even more, I can send you a little tract that is entitle "What Hope for Dead Loved Ones"? If you have any Questions please feel free to contact me at this e-mail address here (b.molina56@yahoo.com).
I offer my sincere condolences, may the God of peace be with you and your family.
Sincerely Yours, Brandy Molina
