“ *Carl and family: I had the immense privilege of knowing Soni through my grandmother, Ruth Lord, and her days at Dee Cee. She was always so sweet and kind and such a fun person to be around. We stand with you all in prayer, asking for intercession for peace and comfort.*

“ *I started working at Dee Cee with Soni in 1994 just a few days before Halloween. Everyone dressed up and she was dressed up as a Star Trek character. I never watched but I think it was Leonard Nimo's Dr Spock. She had also just started as Harry's assistant. She was one f the sweetest, smartest people I have ever known. She was the greatest Noni's to her grandchildren. I remember all of the movies and fun things she did with all of them. She sure loved all of her grandchildren and children. She was a classy wonderful woman. I have missed her since she retired and will always remember and miss her. My deepest sympathy to all of the family. Lisa Pendergrast*
