“ *I really hate to hear this. Sandy was a couple of years behind me in high school and we also worked together at I think it was Nasco..long time ago. I always liked her and haven't seen her in many years. My condolences and prayers go out to all that loved her.*

This says more about you than it does about her. Her family is devastated and you come here with your bitterness? Strange. All the gay guys I know are a lot classier than you. Maybe she just didn't like you because you're a jerk. Seems plausible.
