“ Sandy was always an encouragement to me through out the years. We had some fun times growing up and I will never forget her. My heart goes out to the family and am praying for God's presence to give you comfort and peace that passes all understanding. We are sad but she is free and in the God's presence where there will be no more pain, suffering or sin to contend with. Pam (Jones) Snowden

“ Well God Bless the Scott Family. I remember spending time with her at the Neely's Bend Elem.playground.With me growing up below the School we were play friends a lot back in the 60's. She was always a strong and very beautiful girl. It looks like she had a good life after High School and I can take comfort in that. May the Lord look after her.
