“ Scotty will be greatly missed...he was a joy to be around. He lifted one's spirit all the time with his contagious smile and good nature. We loved Scotty! He appreciated the smallest things in life. We sent him a birthday card this year and he was so excited over receiving this card that he called to thank us and we could hear him beaming through the phone. He sounded like a young child on Christmas morning ... the smallest things made him happy. This is the Scotty we knew and love.

Shannon, Tracy, Zac, and Alex ... you have our deepest sympathy and our love. We will be uplifting all of you (and the grandchildren) in prayer. Our sympathy also goes out to his Mother and the Dickerson and Payne family and to all who knew and love Scotty.

May the Lord bless and keep all of you in His loving care and give you comfort as only He can.
