“ Thoughts and prayers are with you during this challenging chapter of your life. May the comfort of others help give you peace as each day passes. A wonderful blessing is that Sean's spirit will live on with you each day of your life. Peace be with you.

“ Peace I leave with you; my peace I give you. I do not give to you as the world gives. Do not let your hearts be troubled and do not be afraid. (Jhn 14.27)
Sean, you were such a strong and amazing fighter. I'm glad I have been able to know you for so many years. I'm glad God lead my mom into your life so I would have been able to meet you and share so many memories with you and your mother. You have brought so many happy memories to your mother and brother and my family as well. We have become as one family. Now you may be free and rejoice with the Lord and be at peace.

“ *My sweet boy, you are finally free to run and play in the gardens of heaven and be the mischevious soul I always knew you were. I loved you from the day I met you 15 years ago and you will always hold a special place in my heart. You had the best mom in the world and no one could have ever fought harder for you. You will be missed and always remembered with LOVE*
