“ Sharon and I have been best friends for 35 plus years. We were always looking for a new adventure, scouting out little towns and places that peeked our interest. As a result we traveled the eastern seaboard from the tip of Florida to Nova Scotia Canada and from Mississippi gulf coast to Niagara Falls Canada and many states in between. We had countless hours of conversation . We have laughed a thousand laughs and shed a few tears along the way. Sharon's health over the last few years has caused her much pain and suffering. She has fought long and hard to remain here with all of us. She is on another adventure now, one that we all hope to take one day with God's forgiveness. Her friendship has left me with wonderful memories that will sustain me for the remainder of my life and she is one of God's many blessings in my life. Each year when the dogwoods begin to bloom I will think of her and the long list of memories will begin. Doris Meador

“ So sorry to hear about Sharon, I didn't know her well. But I met her through my Sister In Law Doris. Doris loved her so much so, therefore I loved her too. she was a fighter , but now her fight is over . She is with the angels now and doesn't hurt any more. My thoughts and prayers are with the family and Doris.. Shirlan Meador.
