“ Sharon was a very important person in my life. She was with me through my pregnancy with my first four children including the death of my first born child Steven Samuel Raymer. I dont know what I would have done had she not been there for me in my darkest hour. I love her with all my heart an will never forget her kindness an love she had for everyone. I know for some people she may have been hard to deal with as we each in our own way can also be. But all the good out ways the bad anyday. I love you Sharon Grundy Vickers Lamb....
