“ Selina, Sheila, and family, I was so shocked when I received a phone call from a friend telling me of your Mom's passing. She was such a sweetheart and so kind to me.. My heart tells me not to be sad but to rejoice that she and her beloved Harry are together again. She never stopped grieving for him. Your Mom was a beautiful woman and I must admit I smiled when I saw the HIGH bee hive hair dos. I will tell John and Brenda but I know she has shows this weekend somewhere. May you find strength in your faith and the prayers of your friends. Much Love, Nancy

“ Have so many memories of Sukie with Momma and all their cousins in that generation. She was so witty and made me laugh each and every time I was around her. Having her at the funeral home with Jan, Dudda, Daddy and Momma was such a special comfort. I am heartbroken with our loss of her but take comfort knowing she is now with Harry, the love of her life. Wish I could be there to be with all of the members of our family. Just know that I am continually thinking and praying for all of you and that I love all of you. Lavinia
