“ I am so sorry to hear about Shellie. My mom told me stories over the years about the laughs and fun times they had together. I wish I had a friend like Shellie. ☐ I know she was loved and her sense of humor and bubbly personality will be missed.

“ I didn't know Shellie as well as most, but I know that simply being in the same room as her could lift anyone's spirits. Shellie's beautiful smile and infectious laugh are two things I remember so well about her. Shellie loved the Lord and you could always see His spirit shining through her. Shellie, you will be missed dearly. My prayers are with Shellie's family and friends, I pray God gives you comfort, peace and reassurance during these difficult times.

“ It has been so hard to process this news. I met Shellie when I moved to White House in the 6th grade and what an absolute blessing it has been to have her in my life all these years!! Most people take for granted the friendships they make but not Shellie. Every couple of weeks she'd text me just to say I love you! Anytime, I tell my daughters a story about Shellie they'd always say, "I wish I had a friend like Shellie". I wish everyone had a friend like Shellie. What a beautiful soul and a tremendous loss!! Shellie I know that you are hugging Jesus now but just know that we are heartbroken without you! I'll love you forever Smelly Shoes❤️

“ I have a vivid memory of Shellie: She was probably just two or three. I was at the Hughes house, and Shellie was barefoot and in a little off-white gown, with her beautiful red hair, and she was peering around the pretty wood table at me. If I were an artist, it would have made a beautiful painting.

*My prayers are with you, Sherrie and Susan and Shirley, and with Shellie's husband and children.*
