“ Sherry and her family have been close friends of our family from the time they started worshipping with us at Lakewood Church of Christ in Montgomery, Al. So many memories! There was the time Sherry and Bill left the girls at our house and went out to eat. They ended up dining in Mobile, a 3 hr drive, and stayed overnight, leaving my older sister and a friend babysitting 6 younger girls. Then several years later, when I was involved in a vehicle accident, my Mom and Dad were out of town, I called Sherry, who came to check on me, and notified my Mom and Dad. They were wonderful friends, always there when needed. I already miss her, just knowing she was there, will still be there when we need her. I imagine Mom and Dad were there to greet her as she entered Paradise! Praying for Bill and the girls, the grandchildren.

“ Almost every summer, my parents (Dad was her brother) would pack up the car or van and off we went to Tennessee for our family vacation. We loved going! Aunt Sherry would give us each a roll of nickels and it was so special to us kids. We always looked forward to eating Whitt's BBQ pulled pork sandwiches and going to Opryland with the family. Uncle Bill, Aunt Sherry and our cousins were always very fun and hospitable and sometimes we did not want to leave. I hope Aunt Sherry knows how special she was to us.
