“ Mrs. Sanders was my first grade teacher, I think it was her first year to teach. I still to this day remember her kindness and hugs. I have tought of her over the years with such a wonderful fondness. I loved seeing her on the news the year she retired was such a wonderful tribute to a Woman who helped to shape so many life's . I pray the Lord comforts her family. And I thank her family for sharing her to so many children over the years
