

Shonda Lanee' Hunt-Sewell

September 6, 1977 - January 21, 2021

Shonda Lanee' Hunt-Sewell, age 43, left the cares and struggles of this life behind to be with her Lord and Savior in her heavenly home, on January 21, 2021. She was born September 6, 1977 in Nashville, TN, the daughter of Terry Hunt and Patricia Sain Hunt. She was preceded in death by her mother, Patricia Hunt, Stepmother, Joyce Hunt and Stepsister, Kimberly Moore. She is survived by father, Terry Hunt, son, Danny Sewell, Jr., daughter, Tiffani Sewell, brother and his wife, Jayme and Amy Hunt, step-brother, Keith Moore, nieces and nephews, Rolley, Haleigh, Alicia, Ryan, Katelynn, and Easton.

Lanee' was stricken with MS at the age of 28 years old, but she did not let this disease define her life. Lanee' was a very strong person....stronger than she gave herself credit for being. She was a Christian who had a strong faith in God. She was a loving, cheerful person and very rarely did you ever see a sad look on her face. If she felt herself feeling sad, she would do her best not to show it. She loved everything about the outdoors, especially going camping with her Mom and brother Jayme. She possessed a tremendous love for her Mom and her children and she also loved her Dad, brother, Jayme and the rest of the family dearly. Lanee' created many memories in the hearts of all she loved. She had a great, big heart and will be greatly missed by her family and friends.

There will be a Celebration of her Life at a date that will be announced later.

Please check back for date and time.

“ After years of searching Facebook for you ,I found you in 2023 and sent you a message and a friend request. I would always check back to see if you got it and you didn't. I still continued to think of you. I met you at Head Elementary school and we also went to Pearl Cohn together. In elementary school some days I was nice to you some days I wasn't. I left you a Facebook message in 2023 I think to apologize to you for not being a good friend to you as you were willing to be to me. Today I woke up with you on my mind tough and decided to Google to see if you had an obituary. My heart is broken because you deserved to know that it was not you it was me who was unkind and I wanted to sincerely apologize to you for my mean behavior. Now I'll never get that chance. But I still sent my apology to you through our lord, I hope you got it because you deserved it a lifetime ago before we left elementary school. I don't tremendously song you at Pearl Cohn but we definitely were there together and graduated the same year. I'm sorry Lanee that I wasnt better to you than you were to me. I did not deserve your grace nor your friendship. I pray(I know) you are resting in heaven with our lord. I miss you, I miss that little girl with a big smile and smoky eyes that always blinked a lot□

Lanee was very cheerful and always laughing from the time I got to spend with her. She always said what was on her mind. I will always remember her smile and her cute little blinks. May her soul be at rest and her memory never forgotten!
