“ Linda, Brian, Kim, Lee, and Michelle and your families. Your family has been in my prayers. Stan was a fun-loving man and I enjoyed him very much. I know that he will be missed terribly by all of you. The Lord has him safely in heaven now and he no longer has any suffering.

Just wanted you to know I was thinking of you in this time of loss. -

“ Linda, Brian, Michele, and Kim also the remainder of the family. I love them dearly and that I am very saddened right now my heart goes out to them. I have lost a good friend and someone that invited me numerous times over the 3 years I was at Cole and Garrett to there home to eat sometimes even when I didnt have money to buy food of course know one knew that.

I am so thankful I got to talk to him on Saturday of last week. Stan and I talked for probably 15 minutes and he said he was ready to meet his lord that pleased my Soul to hear that from him.

I also got to talk to Linda and they both said how much they loved me like one of there children and spoke of me all these years. Man you talk about in tears.

I truely will miss Stan and I send my heartfelt love to Linda and all the Children, Grandchildren and the remainder of Family.
