“ I've know Stephan since October when I began working at HATS. I loved working with him and he holds a special place in my heart. The day he passed he was at the center and he did his usual routine, I spoke to him and said hi Stephan how are you? I got the response that I always get and it it "Fine"! He was right he is fine he his now in the arms of our most high God and it can't get any better than that! I will truly miss him our workshop is not the same without him! I pray for comfort for his family!

“ I loved Stephen and the awesome way he called me cousin Jill. I thank God for the opportunity he gave me to create a fascinating relationship with him as an adult. I will cherish our mornings together at HATS and his smile. In Gods arms he is full of Gods glory. Thank you God for allowing us the opportunity to love an amazing man.

“ I have many great memories of my uncle. One of my favorite memories is when I was a little girl and stayed with my grandparents everyday, when my mom came to pick me up in the evenings I would get put in my car seat and start whining and say "Wait! I didn't give uncle a kiss bye!" So I would have to get taken back out of the car seat to give him a kiss bye. I was always crawling all over him, although he did not like to be touched.. He tolerated it.
