“ To Stephanie's family, I am so very sorry, for your loss. Stephanie & I worked together at AGLA. My memory of Stephanie, she is beautiful inside & out! We could count on Stephanie's smile, and her terrific attitude; doing whatever was necessary to help you! She was a pleasure at work; a rare jewel in the business world!!!

My best memories FStephanie playing in the creek at the bottom of the hill where our grandparents lived. She was crazy about Elton John and so mad when he recorded Don't Go Breaking My Heart. I was always jealous of her go-go boots!

“ I know that her close family and friends will truly miss her. As a co-worker of hers at AIG she was always so friendly and she was smart too! She knew a lot of people and they all thought so well of her. There wasn't any task that she shied away from. She was also a good cook. Having our get togethers at AIG on special occasions she would always come up with something delicious! One last thing, her sense of humor! We had many good laughs together and I'll always remember that about her. She is at peace now in Gods kingdom and isn,t suffering anymore. God Bless ALL of you at this time,
