“ How do you share a lifetime of memories of one of the most kind, giving, loving funny person I've ever known. His strong family values, a wonderful husband, dad and poppy and would give you the shirt off his back if you needed it. Barbie loved you from day one and I knew it was a forever love without a doubt. What fun the bridal party had the night before your wedding, I know Ricky is with you now helping you. From Cuyahoga Falls to On Tap to camping to boating and fishing together (well some of us were fishing, your wife gave it her best cast). You always smiled and never met a stranger. I love you Steve Tazreak and I promise I will be here to help your wife get through this overwhelming loss. I pray for peace and strength for all of them.

Dearest Barbie, Alicia and Stevie, there are no words to express the depth of my sympathy for you and your family. Steve and I have been friends for most of our adult lives. He helped me through some difficult times and I thank him for sharing his friend, my husband. Steve always had a good story to tell, but listened with his heart. I will remember him always with a smile and warmth in my heart. I will see you again my friend 💕
