“ *Our hearts go out to you Karen in this time of great sorrow. Jon, Joshua and I really love you guys and I know Jon is feeling a great loss - Steve was so very prominent not only in Jon's Masonic journey, but in their friendship and he was always there to give Jon the help and praise he needed to move forward. Joshua loved the life advice that Steve always shared with him - especially the words about his signature. Steve was such a gentle man, with love and joy in his heart. Even when he was suffering, he always had a smile on his face and a warm, tender greeting. He will be greatly missed, though he was such a generous man that all who knew him are blessed with a memory, or a life lesson that they will carry the rest of their days. Please draw on the strength of the love for Steve that will be gathered around you in these days that follow. Hopefully it will give you some peace, knowing how many lives Steve touched and how loved both he and you are.*

We are here for you!!
