“ Steven Wayne will be missed so much! I have many memories throughout the years. One from childhood was when me and amber use to crawl through the closets that was connected together In Their childhood home Ashley and Amber's closets were connected and we use to crawl through to Ashley's room and spy on him and he would get so mad and tell Steven and he would just fuss ar us 😂 and a more recent memory was when my family went to Hadens birthday party and Steven kept pestering Mercy and asking could he have a curl 😂 He was always a cut up and i will always remember him that way.
