“ *My sweet grandma. I will always love you.
From every new gadget you showed me, to
every broken heart you helped me through.
You were always there when I needed to just
talk. You are one of a kind and will missed
dearly. Even writing this, I can't believe it's true.*

“ *A Mother in law just like you*

*I wanted to let you know
You mean the world to me
Only a heart as dear as yours
Would give so unselfishly*

*The many things you've done
All the times you were there
Helped me know deep inside
How much you really cared
Love you forever and always Sue* 🧡 💜

“ Sue Jones has to be one of the kindest and most genuine person I've ever known. For the almost 25 years of knowing her she has treated me like family. She will be missed everyday. She was a First Lady and I feel so blessed to call her my very very close friend
