“ I spoke with Trevor at visitation but did not get a chance to talk to you all. Susan was truly an angel here on earth. She was such a dear friend to my mom, Fran Adams, for so many years. And to me too. We joked that she was my 4th sister, and that mom liked her best. She had such a sweet soul. Sincere sympathies to you all.

“ Susan had a special friendship with my mother Frances Adams. Mom really enjoyed decorating her house for the various holidays- Susan actually did it. Her visits always lifted Mom's spirits. I am so sorry for your loss. She is freed from her illness and at peace now.

“ To Susan's family,  
I send to you my deepest sympathy and condolences. Susan was a cherished friend and wonderful helper to my mother, Frances Adams. I have many happy memories of visits with Susan at Mom's condo, also a wonderful trip when Mom and Susan drove to Texas to visit me and see the bluebonnets! I am thankful there were so many good years that Susan and Mom shared. They had a very special bond. I miss both of them very much. I will always remember Susan's sunny smile and sweet ways and how she lived her life with such grace, laughter, love, and kindness. Thank you for sharing Susan with my family.

*With love and prayers for you, Patty Adams*
