I'm not sure if this is the same Sue Norris that I was friends with in South Lake Tahoe, CA. She and I worked in the same dept at Sahara Tahoe Hotel and Casino for about a year. I shared alot of fun times with her and her husband Doug. We were about the same age, in our early 20s. She was one of the nicest people I have ever known. If my memories are of another Susan Norris, my sincere apologies to the family.

“ My prayers are with all the family. Susan and I were stepsisters. We never got to spend much time together but I loved her still. She shared her mom with me. Her mom became my 2nd mom. My life was blessed to have been even a small part of her family. We love you sue . RIP. Vickie Savage Dickens

“ I had the pleasure of working with Susan for the last 5 1/2 years. During that time she grew to be much more than just a coworker to me, she was my family. Su was a great person, full of laughter...she was a character to say the least. I will always remember her laugh and smile. May God bless and keep her family and all of us who had the pleasure of knowing this wonderful soul. I will miss you my friend.

“ Unfortunately I didn't get to know Susan as long as I wish I did. I worked with her for over a year but in that year she taught so much and was always my go to person. I still can't believe this is real and cannot get over the loss. She is so strong and would do anything for you no matter how much pain she was in. I will turely miss this woman and never forget everything she taught me. I love you dearly Susan and just know I am here for your family and will do my best to put them at ease. Love you!!
