“ Tammy and I were like sisters even thou she was my brother Jimmy's wife. She is sweet and sincere. Helping always in any way she can. We became closer after her son Jimmy passed. I tried to help her because I also could relate to that. I was always a phone call away. Day or nite. Tammy, you will always be part of my heart. I will cherish all our memories we had. Love you,Janet

“ *I met Tammy when I was 16 after she married my (step) brother, Jim. She seemed so grown up to me being married and an adult. Later in life I found out we were the same age.(lol!) I still saw her as an older woman I can look up to. She has always been so sweet and giving. She loves her children, husband and God with all her heart. I am so glad she was part of my family. Tammy’s friends and family, you are in my prayers. This is a very hard road to go down and I wish I could make it easier. Jim and Jeremy, I love you both very much. If you need a “get away” to just be with your grief, my home is open to you.*
