i lost my sister in October it is still surreal but I know that she is healed and now walks on the streets of gold with our family members and all the brother and sister saints in her heavenly home. Now, I have one more reason I long to go there. She has met Jesus! What a day that will be!!! Celebrate her life and be happy for all is well with her soul now for real.

A friend of Ann Crenshaw and former teacher at Jo Byrns.
