“ I never really knew Mrs. Parker, however she was my best friends mother. I knew how it felt when Karley came to school with broken blood vessels and swollen eyes. I have lost a parent and she understood when I told her. My deepest prayers to my best friend and her brother Jordan. A pray request will be put in place at my church. Love sent.

“ *Tanya you always had a smile on your pretty face and were always sweet to me. You left this earth way too soon and you will be missed. I remember when a bunch of us went swimming and you had that cast on your leg and you were trying to run, we all had so much fun. I can remember you always had a positive attitude no matter what life threw at you and you always tried to help your friends. You have earned your wings so fly high baby girl and may you be at peace....*
