Taylor was born on July 21, 1994 in Tomah, Wisconsin to Sammy Jo (Winston Vaughn) and JW Williams. She was a Christian that dedicated her life to serving others as a friend and as a beloved cosmetologist at Terra Medspa in Pleasant View. She had an unforgettable and infectious smile. Taylor was a great human being and a friend to everyone that met her. She had a presence that was unrivaled. She was a proud hairstylist and had an ability to show everyone their own true beauty inside and out.

She is preceded in death by her grandfather, Manuel Macrafic; great uncle, Dan Peterson; and great grandfather, Papa John.

In addition to her parents, she is survived by her brothers, Trevor (Lana) Williams, Asa Williams and daughter, Jade, and Alec "Cowboy" Williams; great grandmother, Eileen Macrafic; grandmothers, Sandy Jo & Patty; Aunt Mandy & Mark Brockman and their children, Jonathan Hendrickson, Kylie and Makenna Brockman, Aunt Chris Peterson and children Travis and Heather Peterson, Uncle B J Macrafic and child Evan Macrafic, Uncle Mike Macrafic and children, Kayla Macrafic (Nathan "Tater" Whitehead) and Danielle Mills; grandparents, Nana & Papa, grandma Sandi, Tara and Chris Heintz, Erin Radcliffe; The Krupa Boys, and special friends, Ashley, Mattie, Matt, Bec, Maryann, Grady, Samantha, Dalton, and a host of other loving friends; and her special fur-child, Oakley.

If so desired, memorial contributions may be made to Taylor's mother, Sammy Jo Williams, for a future scholarship in cosmetology in her memory.

“*BLESSED! That is how I feel today. I was truly blessed to have God work through me (and hundreds of people) to bring some hope and peace into the lives of Samantha (Sammie Jo) Williams and her family as we celebrated, and said our earthly goodbyes, to her daughter Taylor last night and today. Taylor was only 26 years old. I was blessed to have Confirmed Taylor 13 years ago.*

*Because of her death, we are reminded of - how short - and - how precious - life is. The short life Taylor had was filled with love and laughter with God and with all who were a part of her life. She learned in Confirmation Classes and being at St. John's that all people matter. (That proverbial, "light bulb" of faith, went off for her during Confirmation classes which was the focus for my funeral homily).*

*If you knew Taylor, she knew you, and helped everyone know they mattered, they meant something to her; making them feel better about themselves by knowing they were loved by her, and by God. That was best seen in the many wonderful gifts she gave people at birthdays AND always being with them to help them with whatever they were going through.*

*God, thank you for shining your "light" of love so brightly on, and through, Taylor. Taylor, thank you, for letting your "light" and witness to and for Jesus Christ shine so brightly which helped, and will continue to help, so many people. As God touches us through the "light" of Christ, following Jesus' example, and following Taylor's witness, may we allow the "Light" of Christ brightly shine on and through us for all to see, for all to know the love God has for all people and the world God so loves.*

*In the grand scope of life, we all, are only here, for a short time. Whether it's only for 26 seconds, minutes, hours, days, weeks, months, years, or 126 years, the questions are, what are we doing with whatever time we have here? What are we doing to make a difference in the lives of all people? Taylor thank you for helping me know how precious life is. Pastor Rick Roberts*
