“ Well T it is time to say our final farewells. This is by far one of the hardest things to do for me and anyone who loved you. But on the bright side You have been awarded the wings we all know you deserved in life. And we will all see you again someday when our time comes. So we will all try to stop our tears and remember you are within our hearts and memories of your life.
I have been blessed to know you and your family. And we will all be blessed again when we meet in Heaven where we can laugh together again.
