“ Teresa was a fighterand she did it with a smile on her face. I am thankful I got to have a visit with her at our SHS Class of '73 reunion in September. I am also thankful she has now been perfectly healed and is "home". My thoughts and prayers are with her family now and in the days ahead.

“ Jimmy,Michael,Jennifer,Misty and your families please know that as you lay Teresa to rest today I will be thinking of you and reflecting on the good times we all had together over the years. It seems so unfair that such fun, happy, loving persons sometimes are taken way too soon. I know I felt this way about my mom. We had so many more memories to make together just like you did with Teresa. Cling to the memories you have and cherish that you were given such a great mom. You are all her legacy. Job well done Teresa! We will miss you so much. I love you all very much. Tracy and family.

“ My thoughts and prayers are with you all. Teresa was the most wonderful person and role model I knew when I was growing up. She held my hand and took time out of her nights as a teenager and learn me to skate. She would talk to me and tell me how she loved and enjoyed teaching me things. I have only wonderful memories of her. She was my angel. I know she's in heaven now with her love ones. Gods Angel.
