“ Hey Bubba, this is not a goodbye more like just thinking of great ol' times we had. You, Cesar, my bro Kiki, and I hanging out fishing, smokin cigars, and planning out what to eat for the next Playboy Jazz Festival.  
We have and will continue the tradition alive until the time has come for us to joining you once again brother.  
To the Heatherly family, I can't seem to let go and accept the fact. Words aren't enough but I will say Terry was not just a friend but he was family and will not but forgotten.

“ Years ago, Terry supervised 2 employees at our local Southern California Edison Office. He would light up the room as he came down the hallway. I've heard the 2 employees state he was the absolute BEST supervisor they ever had. God's blessings to all of you at this very sad time in your lives.

“ Many people from your adopted home in California wish they could all be there to say their final goodbyes to you Terry. You left this world when God called you but you left us all too soon brother. Some of your fine qualities that we saw from you included a sense of fairness, humor, the willingness to try new things and a strong sense of family. Terry, you always wanted to be liked by people. A country boy from Tennessee living in California, you rose through the ranks of our company to become an important person. You will be missed very much!

“ God saw you getting tired & a cure was not to be. So he put his arms around you and whispered come with me. With tearful eyes, we watched and saw you pass away. Although we love you dearly, we could not make you stay. A golden heart stopped beating, hard working hands at rest. God broke our hearts to prove to us, he only takes the BEST.

“ We are so sorry to hear of the loss of our dear old friend Terry. My four daughters and I wish to extend our heartfelt sympathy to the family. Terry and Kayla were a part of our lives when all of our children were young and both of our families were starting out. His crazy stories of his home back in Tennessee, his love of basketball (playing barefoot in a cactus patch), and his passion for country music are only a part of our memory of him. He warmed the room with his smile and his sense of humor was infectious. It breaks our heart to hear of his passing. His daughters should know he loved his girls most in the world and they now have an angel watching over them...he will always be with them.

I was truly blessed to have known and to have Terry apart of my life as a friend but more like a brother in life for the last 20 yrs during his California days and mostly during our working days at Orange Coast where I first met Terry at very young age of 24 and a new proud father to Amanda. I will always remember my visit to Tennessee with Terry and his family for vacation and all the wonderful family members I met and the warm Tennessee hospitality that was shown to me during my visit. Your family will be in my prayers forever.
