“ This hurts so much, and she wasn't even family...she just always made me feel like that when I saw her. She was such a GOOD woman, and I know that she's in a much better place, but it still hurts.

“ Theresa Harrington if you had the privilege of meeting her, then there is no doubt she impacted your life in a good way. I know she did mine. I wa not he family by blood , to me she was my Aunt Theresa. I have known her for many years and throughout those years she has watched me struggle with demons. She amazed me for she never shied away. She spoke and I listened and I spoke and she listened. She prayed for me and always gave me great advice from the heart. I remember the last thing conversation we had and she told me that she was so proud of me, which I don't hear very often and that she loved me. That if I needed I had her number to call anytime. I am really gonna miss her encouraging words and her smile. I know that I can still call anytime, because she is in heaven with out a doubt. I just wish I could have said bye. But I know she hears me, goodbye Mrs. Theresa rest in peace. ❤️❤️❤️

“ *A wonderful lady  
That I was blessed to know  
She worked HARD for her family  
Like many don't know*

*Her friendship and love  
Were always true  
Though her life was demanding  
She tried never to feel blue*

*She tried to take care of everyone  
That is no doubt  
I always got a hug  
When I saw her out and about*

*She loved her children  
Each and every one  
But now her work here  
On earth is done*

*A lovely lady  
Like I've never known  
No one can know  
All of the love that she's shown*

*Her soul is at rest now  
She's got her new home  
Though she'll be missed  
She'll never be alone*

*I loved you too Ms Theresa  
Rest in peace my dear!!!*
