“ *Mr. Crumpler, Tommy if I can, was a good man to me. He gave me the only professional painting experience I ever had. He was a nice and fair man to me. I painted with him for about six months, or so, over 30 years ago, and have even known his sons and daughters longer. I wish y'all all my deepest sympathies and condolences. So sorry to hear of his passing. I do hope the helpfulness that he gave people like me, somehow comforts y'all. He was a good guy to me, and I did quit when he did, a thing called loyalty. Had some good times with him, and looking back, that job was what took me from being homeless for a while. I do want the family to know I'm totally sincere in my condolences. I love all y'all.*
