“ So sorry for the health journey leading to the earthly passing of Tim. He will forever hold a special place in my heart especially for the love he always showed to my Blake. Now they are hanging out together walking with sweet Jesus.

*Prayers for strength and comfort to Bonnie, Hannah, Olivia and family. Memories are a treasure and as the days go by I know you will take some comfort as you recall special times with Tim. I know there will be some tears but I'm sure there will be times of laughter remembering such a fine man. Blessings to you all.*
