Why don't you state your name?You're a coward until you are hide behind some kind of thing.Because you've got some kind of secret of a lie to tell of somebody that is trying to provide for her family and pay all the funeral expenses.You're a rude person.Whoever you are and God will get you.It will come back on you because believe me god does pay backs

“ Posting on behalf of Terry Hudson. Hope you know how much he thought of you Timmy. He may not have showed it recently, but just know he talked about you just about everyday. He was hoping you could hang in there just 2 more days, so he could say his goodbyes. But, he understands how sick you were and tired you were. You take your rest now, it's well deserved. He will be there to see you off. We love ya forever and always Timmy. R.I.P.
