“ *Tim you are the big brother I never had. Words can not express how much you meant to me. I miss you so much it hurts. You were always there for me even when I didn't know I needed my brother. I still pick up the phone to call you and then I realize your not here anymore. You are one of a kind. You had one of the biggest hearts and once you made a friend they were a friend for life; I was lucky enough to call you my brother. Thank you for being part of my life for the past 18 years. Know I miss you more than you'll ever know. To Leland, Michelle & Ashley I know your not blood but I love you all like your my nieces and nephew. Sandra my love to you as well.
